*1/16 Cross Country Course*

*RAAF DG1001C – Cross Country*

300SQN ask that Squadron Commanding Officers of any cadets above please mention their achievements at your earliest administration parade or similar. It's important that acknowledgement of aviation achievements are not just limited to flying courses. Obviously local broadcasting of these accomplishments will generate interest in flying training within your local ranks.

### 300 AVIATION SQUADRON

The current positions of 300SQN are;
